

## "How Much Time Will It Take?"

### Writing the Research Essay (#2, #3, and #4)

Week 1: Students think library work goes quickly. It takes much more time than they usually expect to spend on research. Then they fall behind and some never catch up. AVOID this by being more realistic about library and internet research time.

Week 2: Sometime new sources have to be substituted. Writing drafts takes time, too!

Week 3: Revising and correcting takes more time than students think...
